April 2021 Newsletter

Program Updates

Parents & Guardians,
It is my pleasure to deliver our quarterly newsletter to all families. This is our way of shedding light on the many things that are happening here at the center. I am excited to deliver these positive messages and hope that you share the same joy. It is also important that I communicate as often as possible to ensure that our customers receive full transparency and are well informed when changes are made to our current program that may impact your experience here at Kid-Tastic. Above all, we want you to continue to take pride in us as we will continue to make the necessary decisions with our family's best interest at heart.

As always, we value your family and look forward to sharing more.

Best,

Amanda Davis
Chief Executive Officer

Kid-Tastic
CHILD CARE

Parking and Traffic

We are currently accepting outside drop-off and call-ahead pick-up for families with children 3yrs and older. This convenient service will allow for parents to pull into the circle at the front door and to send or receive your children within minutes. Please contact the main office 414-502-5515 This service is not available for families with children 2yrs & younger. Please call office for details.

Please park in designated areas. Avoid parking in the emergency lanes.

Center Projects

Battle of the boards- Each level has its own pin board on display in the hall and as the seasons change each month so does the theme for the boards.

The classroom with the winning board will have a behind the scenes spotlight on our Kid-Tastic Instagram. So, you can get a front row seat to some of the fun festivities we enjoy here at Kid-Tastic.

Billing & Payments

We're simplifying our Billing Process for all of our customers.

[Learn About Our New Simple Plan](#)
