## Parent Communications

### Share the Love | February 1-28th

#### Bring a Friend to School or Refer Someone you Know and get Rewarded!

Students are invited to bring a friend for a day at Kid-Tastic. This day is intended to give prospective parents and their child the ability to get a feel for the school and see if Kid-Tastic is the right fit for them. Current parents, if you have a family in mind, please contact Alma to arrange for the shadow day!

### Black History Month

In February, we observe Black History Month, a time to acknowledge and honor the history of African Americans in the United States. We're diving into a whole month filled with learning, celebrating, and paying tribute to the incredible achievements, contributions, and history of African Americans. It's a time to shine a bright light on the remarkable impact that Black individuals and communities have had on our nation's history, culture, and progress.

#### What is Black History Month?

Black History Month, also known as African American History Month, is a special time when we focus on all the amazing accomplishments and journeys of African Americans throughout history. It's like a big, colorful showcase where we learn, reflect, and celebrate the rich heritage and diverse experiences of Black Americans.
